QUESTIONS & ANSWERS ABOUT THE JUNIOR TOUR

ENTERING A TOURNAMENT

Q. How do I enter a Junior Tour event?

A. All registration is done on-line through our website, www.FirstTeeSacramento.org, by viewing the Junior Tour section.

Q. What is the registration deadline for events?

A. The registration deadline for all events is 2 days prior to the event date, however if there is still room in the event less than 2 days prior you may late register with an additional \$20 added to the entry fee. (Example: Event Date: July 15, all late entries received July 13th or later will be charged an additional \$20)

Q. Are there some events that I may not qualify for?

A. Yes, there are some events each year where players are eligible to compete based on scoring average, points total, or life skills level. Events with qualification criteria are: Pat Campbell Jr. Associations Championship, Points Championship, Serrano Jr/Sr, and Sun City Jr/Sr, Nor Cal Cup, LPGA Amateurs Swing FORE Girls.

Q. What if my scoring average is above 100?

A. In order to qualify to play on the Junior Tour, juniors must have the ability to break 100 on a regulation golf course. This does not mean that you must break 100 in every event that you play in. However, if after playing in several events, your scoring average is above 115, your membership may be put on hold until you have advanced in skill level and demonstrate ability to compete in events. Due to the difficulty of the following golf courses: Rancho Murieta, Granite Bay, Serrano, The Ridge and Catta Verdera. We highly suggest that players with a scoring average above 105, do not sign up for the events at the previous courses mentioned.

Q. How do I receive confirmation for each tournament?

A. You may check to see if you are registered for an event on our website www.FirstTeeSacramento.org under the tournament schedule link. For each event, a confirmation email will be sent to you when your payment has been processed, as well as, a reminder email seven days prior to the tournament.

Q. What is a waiting list?

A. If a tournament is filled, you will receive a note stating that you are on a waiting list for a cancellation. If a confirmed player cancels, you will be notified that a spot has become available and your payment is being processed. If a spot does not open before tournament day, juniors are welcome to come to the tournament as a standby, in the event of a no-show or late cancellation.

Q. Why is the check-in time earlier than the start time on the event schedule?

A. The time difference is to allow for sufficient check-in time, life skills sessions, special events that may have been planned, or for a short meeting on rules prior to play. **If you have not checked in by 40 minutes prior to the start time of the event, your playing spot may be given to a standby.**

Q. How do I cancel my participation in a tournament?

A. It is absolutely **mandatory** that a junior cancel if they cannot attend a tournament. The preferred method of cancellation is on our website www.FirstTeeSacramento.org. Click the 2021 tournament schedule and then click the cancel button to the left side of the event you need to cancel.

Q. If I have to cancel out of a tournament, how do I receive a refund?

A. All cancellations made one week or more prior to the event date will be credited to the player's Junior Tour account, less a \$5 cancellation fee per event. You may use this account credit to sign up for future events, or you may request a check refund at any time. There are no credits or refunds given for events canceled two or fewer days prior to the event date.

Q. What does the term "NO-SHOW" mean?

A. No-show status is given to a junior who does not cancel via the website or call to let us know that he or she will not be participating in the event. A no-show causes several problems and sometimes means another junior does not get to play. The first occurrence will be a warning, the second occurrence will involve a penalty or disqualification from future events.

PACE OF PLAY POLICY

Pace of play is a continuing struggle for golf as a whole. Whether a weekend round with friends, adult business outing or junior golf tournament, pace of play can be a problem. Through this policy our goal is to have players complete each round in around 4:45-5:15 hours, depending on course difficulty and number of participants. Please look over the below policy so that we can all address this issue and make every effort to improve our pace of play and thus make each tournament round more enjoyable for our players.

Pace of Play Policy:

Any group will be considered to be out of position if it meets both of the following criteria:

1. Is over the allotted time allowed in the pace of play chart. (see back page)
2. Is out of position:
 - a. Having the next tee clear upon arriving at a par 3 tee
 - b. Having the hole clear on arriving at a par 4 tee.
 - c. Having the group ahead on the green upon arriving on a par 5 tee.

Pace of play will be monitored by the Rules Committee and a warning will be issued when a group is OUT OF POSITION.

Group Out of Position/Timing:

If a group is out of position, the players in that group may be timed. The timing of a player's stroke will begin when they have had reasonable opportunity to reach their ball, it is their turn to play, and they can play without interference or distraction.

On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean, and repair their ball mark and other ball marks on their line of putt, and remove loose impediments on their line of putt. Time spent looking at the line of putt from beyond the hole and/or behind the ball will count as part of the time taken for the next stroke.

- One bad timing of more than 40 seconds – Warning
- A second bad timing – 1 stroke penalty
- A third bad timing – Additional 2 stroke penalty
- A fourth bad timing – Disqualification

The group will be monitored until it is no longer OUT OF POSITION. Penalty strokes are added to the score of the hole where the violation occurs.

NOTE: If the group in question regains its proper position, any previous timing of more than 40 seconds will be carried over for the remainder of that round in the event that the group requires additional monitoring.

TOURNAMENT REGISTRATION- SCORING AVERAGE:

Due to the difficulty of the following golf courses, if your scoring average exceeds 105, it is highly recommended that you do not sign up for these events: Rancho Murieta, , Serrano, Woodcreek and Catta Verdera, and The Ridge.

PACE OF PLAY TIPS

1. Know these basic rules by heart: Out of Bounds, Immovable Obstruction (cart path, sprinkler), Penalty Areas, Unplayable Lie, Lost Ball
2. Walk like an athlete.
3. Each player proceed directly to their ball - do not walk in a pack to each ball.
4. Be ready to hit with club in hand when it is your turn and start your pre-shot routine as soon as possible.
5. Watch the flight of each competitor's ball - especially those that may be headed toward a hazard, off the fairway, or out of bounds; this will help with the search, if necessary.
6. Hit a provisional ball if there is any possibility a ball may be lost outside of a penalty area or out of bounds. It takes 30 seconds to hit a provisional ball but up to 8-10 minutes to return to the original location and hit another ball.
7. Around the green, leave your bag between the green and the next teeing ground.

She first started with the organization as a participant in the inaugural class of Little Linkers, in 1983. After graduating from Elk Grove High School, she earned a golf scholarship to the University of Kentucky, playing three years there, and then graduating from Sacramento State in 1998.

After college, she worked as a golf professional at Haggin Oaks, giving private golf lessons and running their junior programs. She recently graduated from Chico State, having majored in Psychology, minored in Marketing, and been a member of the Chico State Women's Golf Team. Brittany now is in the position of Junior Tour and Competitions Director, with her primary focus being the Junior Tour and US Kids Tour.

In addition to our staff, we are grateful to have more than 30 community golf members who volunteer their time to the Junior Tour as rules officials and scorekeepers at our events throughout the year.

First Tee Life Skills Experience

Many of our members have taken part in First Tee Life Skills Experience; others would like to get involved but are not sure what the first step is. Below you will find some frequently asked questions about the Life Skills Experience and how the Junior Tour has chosen to involve our members with this program.

Q. What is “First Tee Life Skills Experience”?

A. First Tee Life Skills Experience is one of the unique features that differentiate First Tee from many other successful junior golf programs. Through the Life Skills Experience, participants learn valuable lessons about the importance of maintaining a positive attitude; how to make decisions by thinking about the possible consequences; how to define and set goals; and how to transfer values such as responsibility, honesty, integrity, respect, confidence and sportsmanship from the golf course to everyday life. There are five levels of Life Skills: Player, Par, Birdie, Eagle, and Ace. Each level contains six to nine lessons that can be related to a junior’s life on the golf course, at home, at school, and used in their future.

Q. How can I attend a Life Skills lesson?

A. First Tee — Greater Sacramento Junior Tour offers a player, par & birdie lesson 30 minutes prior to an event’s starting time. (For example if an event is a 1:00pm shotgun, the Life Skill will be taught at 12:30—usually near the practice putting green.) An announcement will be made prior to the start of the Life Skills. You do not need to sign up ahead of time, simply go to the life skill location once it is announced and sign in. The life skill lessons run approximately 10 minutes long.

Q. Who teaches the Life Skills lesson?

A. The lessons are taught by members of our Junior Life Skills Coaching Committee who are Birdie, Eagle or Ace Certified. Their teachings are overseen by the Junior Tour Directors.

Q. What does being certified mean and how do I get certified?

A. To certify at your current level you must attend a minimum of six sessions at your current life skills level. Once six sessions are complete you must take a written test on the material. This test can be taken at the check-in area or after play at the scoring area at any Jr Tour event. The test will take less than 10 minutes to complete. If you pass the test you will receive certification in that level and a certificate will be mailed to you. You may then move onto the next level. If you do not pass the test, we suggest you take a week to look over the book further and then re-test.

Q. Once I am Birdie Certified, how do I take the Eagle lessons?

A. Once you Birdie certify you will receive an email with Eagle Class information.

Q. What are the benefits of being involved in the Life Skills Experience?

A. Beyond the lessons themselves, juniors who participate will receive the following benefits:

Juniors receive 5 points for every lesson they attend.

Juniors receive 20 points for every Life Skills Level they certify at.

When special events come up (i.e. Golf outings, trips to professional events, and dinners), juniors who are taking part in the Life Skills Experience are given priority invitations.

When applying for PURE Insurance Championship at Pebble Beach, First Tee Academies and First Tee Scholar, juniors who are moving through the Life Skills levels receive greater consideration in being selected for these opportunities.
